

# Solomon as a Type of Christ

Orlando Bible Students Special Study

Sunday November 27, 2016

**Note:** We will only consider the first 40 years of Solomon's life as a **type** of Christ.

- 1) **Who was Solomon, and how did he receive knowledge and wisdom?**  
*1 Chronicles 22:7-9; 2 Chronicles 1:7-12; R2277:3*
  
- 2) **At the age of 40, Solomon reached the peak of his great fame. What did the Queen of Sheba do and say when she heard about Solomon's great fame? How far did she travel, and what did she see?**  
*2 Chronicles 9:3-8; 1 Kings 10:1,6-9; R2067:2*
  
- 3) **Although we just read about Solomon's great wisdom and fame, we read in Luke 11:31, "The queen of the south shall rise up in the judgment with the men of this generation, and condemn them; for she came from the utmost parts of the earth to hear the wisdom of Solomon; and behold, a greater than Solomon is here." Who is this "greater than Solomon"?**  
*Luke 11:31; Isa. 9:6-7; Luke 2:46-47,52; Matt. 3:16; John 7:46; Phil. 2:9-11; 1 Cor. 2:9; R3284*
  
- 4) **When was the ark transferred from the Tabernacle into the Temple?**  
*1 Kings 7:51; 1 Kings 8:1,6-9 (Compare vs. 9 with Heb. 9:4 – Why are the accounts different?)  
Rev. 20:6; 2 Cor. 5:4; 2 Pet. 1:13; R3282:6*
