

Harvest Truth Versus Babylon – A Prophecy

(Isaiah 28:9-22)

INTRODUCTION

A remarkable description of the onset of the Harvest; sight versus blindness

Expansion in two directions

Our familiarity with verses 10

15

16

Summarize

VERSE-BY-VERSE OUTLINE

v. 9 Four important questions

THE NEW STANDARD ANNOUNCED

v. 10 CTR's logical presentations —

Contextual

Exhaustive Topical

Dispensational

Symbolic versus Literal

v. 11 The spokesmen have changed.

YOU WOULDN'T LISTEN; AND YOU WON'T

v. 12 The offer and rejection

v. 13 The offer doesn't change; neither does the rejection.

Logic causes captivity for the illogical.

NEW TRUTH WILL DROWN OLD LIES

- v. 14 The condemnation of the old leadership
- v. 15 All religions based on ONE original lie & its extensions —
 - (1) Death isn't death.
 - (2) We will continue distorting the word "hell." It is our pact with success in holding the people in check.The "flood" (margin — as with Satan @ Fr. Revolution = truth), therefore, will not be strong enough to overcome our basic lies. They are our refuge.
And, whether they believe them or not, they HAVE deceived themselves with that position.

HERE IS THE ALL-ENCOMPASSING REMEDY

- v. 16 Therefore — Here's God's answer to you:
 - (1) If you don't want to be deceived, you must accept the RANSOM — the FOUNDATION.
 - AND (just as an incentive to those who like "proof"), I'll open up the Great Pyramid's mysteries as corroborative evidence.

HOW & WHY YOU WILL FAIL

- v. 17 (2) There will be an increased world-wide cry for justice and righteousness.
 - Its hard truths will sweep away old lies.
 - Its enormous volume of truths will make old secrets vulnerable.
- v. 18 Consequently, your old covenants and pacts will dissolve; and people will trample on your claims.
- v. 19 Truths will come in increasing waves; they will carry you away!
You will experience only terror as you can't understand the social message!
- v. 20 You know you can't rest comfortably on what you have!
You know you can't cover the insufficiencies of your positions!

THE LESSONS FROM PERAZIM & GIBEON

v. 21 Yahweh will rise up. Remember II Samuel 5:20-25 & I Chronicles 14:11-16:

(1) Perazim (“Master of the Breakthrough”)

(2) Gibeon (A Levitical City in Benjamin; means projecting, high swelled, hump-backed, or hill)

Gezer (A Levitical City; root meaning “to cut or divide”)

Margin: His unusual task = literally His “task is strange.”
His extraordinary word = literally His “work is alien.”

THE INEVITABLE

v. 22 All who continue as scoffers [will be partakers of her plagues] — will be bound as tare bundles.

The Lord’s world-wide destruction is DECISIVE!
