“Our Daily Feasting on the Lord Throughout the Year”

Jesus is primarily that Bread of Life of whom we celebrate in the Memorial. But beyond the evening of commemoration of his great sacrifice – HOW do we feast upon him and “his merits” throughout the rest of the year in:

(Where possible – support your comments with scripture!)

- a. Sacrifice and service for the brethren – Examples of what you have seen from Jesus’ example amongst the brethren?
- b. Engagement of personal daily study of the Scripture and other Bible resources – Examples of how you manage your time for this – or could improve?
- c. Development of our prayer relationship that Jesus provided for us with the Father. - How can we improve our prayer life more and more – and what effect do you think that will have on your heavenly relationships? How much time do you think Jesus spent in prayer throughout his day?
- d. In privileges of communion, fellowship and association with our brethren locally and around the country and the world - Give examples you observe and have experienced of how Jesus’ spirit and pattern has fueled and bonded these relationships.
- e. Growing in Christlikeness - more and more – by reading the Gospel accounts, hearing Jesus’ words, learning from his example that he gave to us.
- f. In our great commission of witnessing to others about the Kingdom and the fullness of the blessings of restitution coming to mankind - because of Jesus’ sacrifice and God’s wonderful love for humanity. - What effect does witnessing the Gospel have on us?
