## Chapter 4 – Get Wisdom at Any Cost

Orlando Bible Students Special Study – Sunday, April 24, 2022

Read all of Proverbs Chapter 4 prayerfully. You also might like to read R 2060 “Rewards of Obedience”. Also review and read the scriptures ahead because we may not have time to read all of them to cover the questions in the designated time. Please answer the questions as they relate to the verses cited.

### Verse 1- 7

- 1) If wisdom is said to be *the principle thing* (vs. 7) how does that differ from “understanding”? AND how does obedience to the Divine laws play a part in heeding the “voice of wisdom”? *James 3:17*

### Verse 8-13

- 2) What benefits are there to listening (vs. 10) to the voice of wisdom in a parent?
- 3) How could we apply the words of Proverbs 4:10 to our Father “which art in heaven”? Could this be applied in a spiritual context then? “Long-life”?

### Verse 14-19

- 4) How can we *connect* Proverbs 4:12 with Romans 8:28?
- 5) If one has hearkened to the voice of true wisdom—how can that equip them to steer clear (vs.14) of the path or “way of the wicked”? (Give an example or examples.) *Ps. 1:1; Prov. 4:13; 2 Cor. 11:3*

-----If time permits -----

### Verses 20 - 23

- 6) How is the “path of the just like a shining light” that shines ever brighter “unto the perfect day”? *Ps. 119:105*
  - 7) What does it mean in verse 23 to “*keep your heart with all diligence*”? *Matt. 12:34; Jude 2*
